

## Application for Student Soft Loan

### Conditions: -

- Fixed loan amount of **Rs. 25 000.00** is offered.
- Any student from the Civil Engineering Department of University of Moratuwa is eligible for the loan.
- After repayment of the loan, the same student can obtain the soft loan again if needed, within the undergraduate period.
- Loan amount so taken for the last time should be paid back within the **6 months** after graduation.
- If someone is unable to pay back as stated above, an annual interest of 10% (Rs. 2 500.00 per each year starting after the **6 months** graduation) should be paid back with loan amount. And the total number of soft loans given by CES will depend on the availability of the funds.

**More importantly, we ensure that the information about the students applied for loans are safe with the Senior Treasurer of CES and will not be exposed. However, if the borrower (student) is failing to repay the loan within the first year of graduation, such names will be disclosed to CES executive committee of the respective batch and the field reps.**
