Application for Student special loan

Conditions: -

A loan amounts up to **Rs. 100 000.00** is offered

- The suitability for being eligible for a student loan and the loan amount to be paid is decided after considering the conditions of the undergraduate by the CES and also based on the availability of funds. (The student will be directed personally to Senior Treasurer of CES)
- Loan amount should be paid back within **1st year after the graduation**
- Two guarantors studying at University of Moratuwa should be responsible for the borrower
- If someone is unable to pay back as stated above, an annual interest of 10% (Rs. 10 000.00 per year starting from the **2nd year after graduation**) should be paid back with the loan amount.

More importantly, we ensure that the information about the students who applied for loans are safe with the Senior Treasurer of CES and will not be exposed. However, if the borrower (student) is failing to repay the loan within the first year of graduation, such names will be disclosed to CES executive committee of the respective batch and the field reps.
